Frequently Asked Questions (FAQ)

FAQs

1) How do I know if a player is eligible to participate in a game?

A: The player will appear with an APPROVED status on the roster. This can be discussed with the club your player is registered with.

2) When a player registers late (for example, in December) is the player allowed to play immediately and/or is there a grace period to clear the payment process?

A: The player will remain ineligible on the roster until the family completes the Player Registration Fee. Once completed, the club where you are registered can submit the roster for review of the newly added player. Once payment is confirmed the player will appear APPROVED on the roster.

3) Will the Hockey Canada online registration system accept both Credit and Debit cards?

A: Hockey Canada Registry will accept Visa, and MasterCard. The League Office will accept post dated Cheques. Debit cards are not accepted.

FAQs

4) Can I pay by cheque and how?

A: The Hockey Canada online registration will allow you to “check-out” by cheque. The cheque(s) must be forwarded along with the order receipt to the GTHL office. Cheques should be made out to the Greater Toronto Hockey League and include the correct deposit dates along with the players’ name and HCR number in memo section.

Please forward all cheques immediately following registration.

Outstanding payments may result in the player being placed on a financial hold.

Inquiries about cheque payments should be forwarded to Danielle Murray, Manager, Registration at dmurray@gthlcanada.com

Cheques should be sent to the below address or dropped off at the Greater Toronto Hockey League office:

**Greater Toronto Hockey League
57 Carl Hall Rd.
Toronto, Ontario
M3K 2B6**

FAQs

5) How is a player informed that playing privileges have been removed? Is the Club and Team informed as well?

A: The League office will notify the club President and/ or the General Manager. The club executive will be responsible for notifying the Head Coach of the team, and the family. Failure to do so will result in an ineligible player on the game sheet.

6) What happens if a team plays an ineligible player?

A: – If a player participates while ineligible, League Rules governing participation of an ineligible player will be imposed. This provision is covered in GTHL Regulation 14.4

<http://www.gthlcanada.com/page/rulebook#suspensions>

7) Will families who are entitled to the bench staff rebate have to pay the full Player Registration Fee upfront?

A: Yes, the full PRF is due at the time of registration. Rebates to follow later in the season.

FAQs

8) How are injuries defined for the purpose of determining if a player is entitled to a refund when injured?

A: A note from a Medical Doctor would be required. ONLY season-ending injuries or season-starting injuries will be eligible and considered for refund, after a review by the league office.

9) If a payment date is missed, what are the consequences?

A: A player has 5 days after notification of an unsuccessful installment transaction to make a payment for the amount owing. After 5 days, the full payment of the fee will be due and the player will be ineligible to participate until such time as payment is made. Furthermore, if the payment is not made within the 5 days, any discounts that were applied may become void.

10) Can a player receive more than one discount?

A: No, each player is only entitled to one bench staff rebate if they have a parent or legal guardian on their roster in an APPROVED status as a Head Coach, Assistant Coach or Trainer.

FAQs

11) What happens if one parent or legal guardian coach is with one sibling's team and the other parent or legal guardian is with the other sibling's team?

A: Each player on each separate roster will receive the \$100 rebate for having an APPROVED parent or legal guardian on the same roster as the child.

12) What happens if I select the wrong PRF package from my options?

A: Please email Danielle Murray, Manager, Registration at dmurray@gthlcanada.com to have the situation reviewed.

13) What happens if the GTHL season is cancelled due to Public Health direction due to pandemic conditions related to Covid-19? Is there a refund?

A: In the event as the result of a decision made by the local public health agency or a decision by the Federal, Provincial and/or Municipal government, each player affected by such decision will be refunded a portion of the Players Registration Fee on a pro-rated bases.

14) I can't register because it says my player is registered to another organization outside the GTHL.
